NEW SKIRTS FOR 1865.
The Great Invention of the Age in
HOOP SKIRTS.
J. W. BRADLEY'S
NEW PATENT DUPLEX ELLIPHIC, (or double) SPRING SKIRT.
THIS Invention consists of Duplex (or two) Elliptic Pure Refined Steel Springs, ingeniously braided tightly and firmly together, edge to edge, making the toughest, most flexable, elastic and double spring ever used. They seldom ever bend or break, like the single springs, and consequently preserve their perfect and beautiful shape more than twice as long as any single spring skirt that ever has or can be made.
The wonderful flexibility and great comfort and pleasure to any lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded Assemblies, Operas, Carriages, Railroad Cars, Church Pews, Arm Chairs, for Promenade and House Dress, as the Skirt can be folded when in use to occupy a small place as easily and conveniently as a silk or muslin dress.
A lady having enjoyed the Pleasure, comfort and great convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day will never afterwards willingly dispense with their use. For children, Misses and young ladies they are superior to all others.
The Hoops are covered with 2 ply double twisted thread and will wear twice as long as the single yarn covering which is used on all Single Steel Hoop Skirts. The three bottom rods on every Skirt are also double steel and twice or double covered to prevent the covering from wearing off the rods when dragging down stairs, stone steps, &c., &c., which they are constantly subject to when in use.
All are made of the new and elegant corded tapes, and are the best quality in every part, giving to the wearer the most graceful and perfect shape possible, and are unquestionably the lightest most desirable, comfortable and economical Skirt ever made.
WEST' BRADLEY & CARY, (late J. I. & J. O. West,) Proprietors of the Invention, and Sole Manufacturers, 97 Chambers and 79 & 81 Reade Streets, New York.
For sale in all first class Stores in this city, and throughout the United States and Canadas, Havana de Cuba, Mexico, South America, and the West Indies.

County Military Companies—Mecklenburg County.

The County Court of Mecklenburg, held last week, made the following order in regard to the organization of Military Companies for police duty:

By virtue of the Ordinance of the Convention of the State of North Carolina, authorising the county courts to form military companies;

It is Ordered by the Justices that all white males between the ages of 18 and 45 years, except such as are exempted by the 2d section of the 70th chapter of the Revised Code, shall meet at their respective Muster Grounds on Saturday, the 4th day of November, and organize by electing the usual company officers. The officers thus elected shall constitute a court martial and shall enroll all persons liable under this order, give exemptions for disability, and report and fine all delinquents. For police duties the officers may divide the company into as many squads as may be desirable, placing each squad under the command of a proper officer. The police duties shall be

1st. To detect and suppress theft, and to this end the companies or squads may search suspected places, and pursue and arrest the guilty party.

2d. To suppress vagrancy by arresting all persons who may be found sauntering about, having no apparent means of subsistence or neglecting to apply to some honest calling for support.

3d. To prevent any violation of the criminal laws of the State.

No authority is here given to punish any offence, but to arrest the offender and deliver him, if a freedman to the military authority—otherwise, to the military or civil authority, at discretion.

If any officer or private shall neglect any duty or disobey any order, or misdemean himself, he shall forfeit and pay a fine of ten dollars; and the court martial of the company, or any Justice of the Peace, may, on conviction, give judgment therefor and issue execution without stay.

The following persons are appointed to organize the companies in their respective beats on the 4th day of November, and report the names of the officers to the Clerk of this court, who shall thereupon record them:

Jetton; Deweese's, J. R. Gillespie; Hill's, R. L. DeArmond; Crab Orchard, H. M. Dixon; Clear Creek, J. C. Dennis; Morning Star, James L. Hart; Providence, W. M. Mills; Sharon, H. C. Reid; Steel Creek, Dr. I. J. Sloan; Berryhill's S. J. Berryhill; Paw Creek, J. S. Maxwell; Charlotte, east, F. W. Ahrens; Charlotte, west, Thos. W. Dewey.

The county court shall hereafter punish, at discretion, by fine or imprisonment, any delinquency or neglect in the duties herein enjoined.

A. McIVER, Chairman.

PARDONS.—We find in the *Standard* a list of two or three hundred pardons granted to citizens of this State, in addition to those heretofore announced. The *Standard* thinks that five hundred more pardons will be announced in a few days.

We copy the names of persons residing in the western part of the State, as follows:—*Democrat.*

"ASA HARTZ."—"New Berne, North-Carolina, must be on the high road to prosperity, as the *Times* announces that it is forced to enlarge its sheet owing to the increase of advertising patronage. Why is it that "Asa Hartz" writes so little for his paper in that once happy strain that was wont to set the people in a roar? Has he grown rusty, and is his pen blunted? Since he took up the sword he has not soared so high with the goosequill. *Norfolk Post.*"

"Asa" is not dead, my bower, he "only sleepeth." Thank you kindly for the notice of him. But how in the thunder can a man write leaders for a daily paper, clip news, localize, read proof, keep books, charge up two or three columns of advertisements a day, and then find time to write "Asa Hartz" letters? Our V. is off on a business mission, my bower, and we—Asa—are alone. It cannot be did. This will doubtless seem strange, and yet people will wonder at it. *New Berne Times.*

TREASURE COMING FORWARD.—The steamer Golden City, sailed from San Francisco, Cal., October 18, with one thousand passengers and $1,244,000 in treasure, for New York, $314,000 for England, $70,000 for France, $20,000 for Central America, and $10,000 for Panama.

The Court of appeals of New York has decided that shares in National Banks are taxable by State and local authorities, although the entire capital of the banks be invested in national securities.

The Chicago *Tribune* says there is a mania for killing negroes in Union county, Illinois. There will be a mania on the same subject in many other places if the negroes don't behave better.

CHARLOTTE: N. C.

TUESDAY OCTOBER, 31, 1865.

☞ Attention is called to the list containing the names of the members of the South-Carolina Conference, which convenes in this town on Wednesday next, and the homes assigned them, published on the 4th page of this morning's TIMES.

We take occasion to say that while we will most cordially and warmly support Col. S. H. Walkup for Congress, our columns are open to the friends of all the candidates who have anything to urge in behalf of their choice.

We will in our next issue take a bird's eye view of Col. Walkup's past and present position on the great questions now under discussion and briefly give our reasons for supporting him.

The Discussion.

Drs. Ramsay and Sloan, aspirants for Congressional honors, addressed a portion of the citizens of this county yesterday, at the Court House. We listened attentively and was in hopes to gather some new ideas on the state of the country—but in this reasonable expectation we were disappointed. Neither of the gentlemen seemed to be favorites with the meeting. Dr. Ramsay frankly admitted he could not take the test oath—was opposed to negro suffrage, and warmly (as every one is) in favor of President Johnson's policy. Dr. Sloan said his record was that of a consistent Union man, both before and during the war—never sympatized with what he was pleased to call the rebellion—said he could conscientiously take the test oath—lauded the President—which was applauded—was also opposed to negro suffrage, and believed it to be our interest, as it was our duty, to send representatives of Union records to Congress, who, like himself, could take the test oath. He also said if elected and admitted to his seat he would endeavor to have the obnoxious oath repealed — he had never held office under the Confederacy—was solicited to run for the Confederate Congress at the time Dr. Ramsay was elected—and expressed the belief that he would have had no difficulty in defeating Mr. Lander—but was too conscientious a Union man to take office under the Richmond government.

Dr. Ramsay replied to the last statement by saying it was strange his friend Dr. Sloan should think it wrong to go to Congress himself, and yet was active in having him elected. We rather think he got Dr. Sloan on that point.

At the conclusion Mr. Waring, at the request and call from the audience, came forward and announced that Col. Samuel H. Walkup—a gentleman who had signalized his devotion to the Union by resisting every attempt at its disruption, but when she once had, as far as she could, severed her connecion with the old Government, acted bravely and honorably in her defence—was also a candidate to represent this District in the next Congress. The announcement was received with thunders of applause—clearly showing with whom the meeting sympathized.

A CARD.

LINCOLN COUNTY, October 29, 1865.

FELLOW-CITIZENS: Having been earnestly solicited by many friends, and publicly announced by them as a candidate, to represent you in the Senatorial District composed of the counties of Gaston, Lincoln and Catawba, I cannot do otherwise than comply with your solicitation, and use all honorable means to insure its success.

In the great Revolution through which we have just passed, many fundamental changes have already taken place, and much legislation will be required to restore our beloved State to that system and order of which a four years' devastating war has hardly left us a trace. The mode of effecting this must be left open for legislative discussion, and, like all other truths, it will be ascertained by fair and honest investigation.

If elected, I shall exert whatever energy and ability I possess for our common welfare. In doing this I shall co-operate with all who lend their aid to the policy of President Johnson, in his statesmanlike and honorable efforts for the restoration of union and harmony of the States and people, believing that his Administration as manifested to us, demands our honest and undivided support.

Respectfully, your ob't servant,

AMBROSE COSTNER.

A CARD.

FELLOW-CITIZENS: I am a candidate for Clerk of the Superior Court of Mecklenburg County.

The unsettled condition of my father-in-law's business in the Clerk's office, has induced me to appeal to his old friends to support me in opposition to others better known than I am.

I have some experience as Clerk, and some insight into the business of the office, having acted as deputy to Maj. Kerr. I have been advised to this course by a portion of the Bar familiar with the business of the office; and I am sure, at present, I have a deeper interest in being elected than any other candidate can have.

By supporting me you will confer a lasting benefit upon the family of an old and tried friend. I am, very respectfully,

Thanksgiving.

WASHINGTON, Oct. 28.—The President has issued a proclamation recommending that the first Thursday of December be observed as a day of national thanksgiving.

From Washington.

WASHINGTON, Oct. 27.—The Governor of Georgia has been officially notified by the Secretary of State that the President cannot recognize the people of any State as having resumed their relations of loyalty to the Union, who admit as legal any obligations, contracts or debts, created in their name, to promote the war of the rebellion.

GEN. HOWARD'S VISIT.—Maj. Gen. Howard, the Chief Commissioner of the Freedmen's Bureau, reached here yesterday, and we regret that Governor Perry was unable to meet him. He had, however, an interview with Mr. Trescott, the Executive Agent of the State, and several of the planters, who owned what are called "the abandoned lands" on the sea coast. General Howard explained that the object of his mission was to restore the lands upon the coast included under Circular No. 15, and Order No. 45—that is, all the lands to the owners of which pardon has been granted, either under the general amnesty or specially, and all lands appropriated to the use of the freedmen under General Sherman's order. Lands which have been sold, under the operation of the Tax Acts, are not subject to his action or authority for restoration. Gen. Howard said, that, in restoring these lands to the original owners, he was anxious to re-organize as far as possible, and to the mutual advantage of both parties, the relations of labor in this section of the State, and that he would expect the proprietors thus restored to absorb as much of the labor as could be profitably employed on the plantations, and that the contracts for this purpose would be firmly enforced on both sides; that he proposed the establishment of Boards in each District, which should be so composed as to represent the interests of both capital and labor, and which should decide all such questions as must naturally arise until the organization of the civil courts in the State, for the protection of the person and property of the freedmen, supplied the means necessary for the administration of justice. The freedmen would be allowed the ensuing two months to make the requisite contracts, or to remove, so far as the islands are concerned. This system will be extended throughout the State, and we understand the necessary orders will soon be extended, furnishing in detail the information which those immediately interested desire.

Gen. Howard, having made an engagement to be in Beaufort by Monday, was obliged to make his visit a brief one.—*Columbia, (S. C.,) Phœnix.*

GENERAL REMARKS.

Revenue Stamps may be used indiscriminitely upon any of the matters or things enumerated in schedule B, except proprietary and playing card stamps, for which a special use has been provided.

Postage stamps cannot be used in payment of the duty chargeable on instruments.

It is the duty of the maker of an instrument to affix and cancel the stamp thereon. If he neglects to do so, the party for whose use it is made, may stamp it before it is used; but in no case can it be legally used without a stamp; and if used after the 30th of July, 1864, and used without a stamp, it cannot afterwards be effectually stamped. Any failure upon the part of the maker of an instrument to appropriately stamp it, renders him liable to a penalty of two hundred dollars.

Suits are commenced in many States by other processes than writ, viz: summons, warrants, publication, petition, &c., in which case these, as the original process, severally require stamps.

Writs of scira facias are subject to stamp duty as original processes.

The jurat of an affidavit, taken before a Justice of the Peace, Notary Public, or other officer duly authorized to take affidavits, is held to be a certificate, and subject to a stamp duty of 5 cents, except when taken in suits or legal proceedings.

Certificates of loan in which there shall appear any printed or written evidence of an amount of money to be paid on demand, or at any time designated, are subject to stamp duty as Promissory Notes.

The assignment of a mortgage is subject to the same stamp duty as that imposed upon the original instrument; that is to say, for every sum of five hundred dollars, or any fractional part thereof, of the amount secured by the mortgage, at the time of its assignment, there must be affixed a stamp or stamps, denoting a duty of fifty cents.

When two or more persons join in the execution of an instrument, the stamps to which this instrument is liable under the law, may be affixed and cancelled by one of the parties.

In conveyances of real estate, the law provides that the stamp affixed must answer to the value of the estate on interest conveyed.

No stamp is required on any warrant of attorney accompanying a bond or note, when such bond or note has affixed thereto the stamp or stamps denoting the duty required, and whenever any bond or note is secured by mortgage, but one stamp duty is required on such papers, such stamp duty being the highest rates required for such instruments, or either of them. In such case a note or memorandum of the value or denomination of the stamp affixed, should be made upon the margin or in the acknowledgment of the instrument which is not stamped.

Proposals for Carrying the Mails.

We publish below proposals for carrying the mails weekly to the County seats of this State, until the 1st of January next. We trust that persons who may be disposed to make proposals will do so at once, as mails are very much needed. We learn that ten dollars per mile will be allowed for this temporary service. The post offices on the various lines will be supplied, and it is desirable that postmasters be appointed at once. Proposals for the routes, and nominations for Postmasters, may be addressed to Gov. Holden, to be forwarded by him to Washington. Persons who may propose to carry the mails must offer the necessary evidence that they will comply with their contracts; and nominations for Postmasters must be endorsed by loyal men, known to the Governor. Females may act as Postmasters, and there is no objection to appointing them.

The advertisement for the regular mail service in this State will appear soon.

We learn that the granting of this special temporary mail service is due to the indefatigable exertions of Dr. R. J. Powell, the State Agent in Washington, aided by W. S. Mason and W. J. Palmer, Esquires, of this city. We believe that no such favor has been extended to any other State.
